It remained a core area of Dutch industry and the Dutch labour movement until well into the 20th century. A bus will pick us up and drop us off at the Institute.  
www.holland.com/global/thingstodo/typical/mills/zaanseschans.jsp  
The Institute will not be open on Saturday, so you cannot leave your luggage at the Institute (only in the bicycle shed, which is locked). On the way back the bus will stop at Amsterdam Central Station, which is convenient if you want to go to the centre of town or leave directly by train or for Schiphol. The bus will also stop at the Institute. There are luggage lockers at Amsterdam Central Station.
